## The story about Ori

Designed by Lukas Dahlén

Sheet metal have the same characteristics as paper when it comes to folding. After a lot of experimenting with paper and many origami instruction films Lukas managed to understand the technique and construct a pattern of my own. A lampshade that reflects the light downwards with a light coloured by the golden brass.

The metal is cut with photo-etching, which also cuts halfway through the sheet to create the creases for the folding.

## Materials

Brass and textile cables

## Colours

Natural brass, white, black

## Size

## Retail price

Excluding transport

Ø 30 cm H 20 cm

SEK 4000  
€ 450

Ø 50 cm H 35 cm

SEK 6500  
€ 730
