The story about Klot

Designed by Lukas Dahlén

The Klot shelving system provides various combinations of setups. By using different sizes of shelves or single size shelves, the size and irregularity of the system can be varied.

The half sphere holding the shelf contributes to a bold yet minimal look. Depending on what you put on to the shelf the sphere is more or less visible.

Materials

Half sphere in ash, shelf in ash or mdf

Finish

Ash, light grey or dark grey

Size (cm)

Single shelf L30 D29

Double shelf L90 D29
